

Christmas Giving Nominate A Cause Form

The Asda Foundation are committed to supporting small grass roots charities and will be awarding money to charities as part of our Christmas activity to celebrate and thank groups for their commitment to your communities this year.

Throughout September we would like you to nominate a charity close to your heart which has gone above and beyond in the community to make sure nobody has been on their own throughout the pandemic.

In 2020, the group must have made a positive impact in one or more of the following ways:

- reducing isolation
- reducing poverty
- delivered essential items to vulnerable people
- been a community lifeline

For further information please check out the Asda Foundation website,
www.asdafoundation.org

Please hand this form back into the Customer Service Desk at your local store marked for the attention for the Community Champion.

Nominations are open from 1st - 30th September 2020.

You Nominate, You Vote, We Give Back

Name of the group you are nominating.

Explain what the group have done during Covid 19 to make them a worthy nomination. **Please ensure they have made a positive impact during 2020 which addresses reducing isolation, reducing poverty, delivering essential items to vulnerable people or have been a community lifeline.**

Please provide a contact name, telephone number & email address for someone at the group.

Please provide the bank payee name for the group. **Please note:** If your charity is chosen, we will need a copy of a redacted bank statement to ensure we make the cheque payable to the correct organisation. This is to reduce the re-issue of cheques as these cost the Asda Foundation a significant amount of money each year.

Please give us your name, email address & telephone number as you are the nominator.
