

# Nominate A Local Good Cause

In store Green Token Giving activity is still on pause due to Covid restrictions but we're now accepting your nominations for a *digital* version which will launch later this year.

**Complete this form to tell us which local grassroots cause you would like to see us support!**

This programme allows you, the customer, to nominate a local charity or good cause which could be chosen to be part of our customer vote.

Winners of the vote get £500 and the two runners up get £200 each.

The Asda Foundation donates over £1m per year to local communities through Green Token Giving.
