

Nominate A Local Good Cause

In store Green Token Giving activity is still on pause due to Covid restrictions but we're accepting your nominations for a digital *online* version of Green Token Giving.

Complete this form to tell us which local grassroots cause you would like to see us support!

This programme allows you, the customer, to nominate a local charity or good cause which could be chosen to be part of our customer vote.

The group with the most online votes will receive a £500 donation with second and third place each receiving £200.

The Asda Foundation donates over £1m per year to local communities through Green Token Giving.
